The North River COVID-19 Task Force would like to express its appreciation for the faith and perseverance of each of you during these trying times. The cumulative isolation, insufficient human contact, cabin fever, COVID-19 symptoms for some, Zooming all too frequently, and not being able to meet together, can lead to fatigue and frustration. We believe that the days ahead hold out hope and that the hope will not disappoint (Is 49:23; Rom 5:5).

North River is ready to begin gradually opening up the auditorium on Sundays (with children's classes for those three years old and younger). This Sunday we will begin with about 25 people in the audience. After this Sunday, our plan for February is to start online sign-ups for up to 50 people to attend in person. We hope to increase that number in March.

River Kids Keepin' It Fun and Faith-Filled!

I hope and pray you are enjoying our kids' church services every Sunday, and our family devotionals called "Table Talks" (posted monthly) centered around faith-filled family fun. These resources can be found over at our Children's Ministry tab on our church website or on our Children's Ministry Facebook page. We hope you will put some upcoming fun activities on your calendar and join us!

If you are willing to help us volunteer for these events or to

teach at any of our soon to begin "in-person" Sunday kids classes please email us at childrensministry@nrcoc.com or melissatulloch@nrcoc.com.

Letting God's Light Shine by Serving

God truly can reveal himself when you least expect it. I am a teacher and while I was at school, I was randomly stopped by a new face. The person pulled me aside and asked if I went to North River.

I said, "Yes, do you?"

They replied, "No, but your church feeds and helps so many of the kids on my caseload. I also love working with Jasmine with the Yes Program. My family and I have been looking for a new church and a family here (at my school) saw your post about the MLK Food Drive and shared that you go to North River. They love you and said I should ask you about your church. I have been wanting to ask you about it and try to watch or join on Zoom. You guys are making such a difference in the lives of kids and families."

I shared, "That's such an answered prayer because years ago our minister asked us, 'If our church were to close, would the community miss us?'"

She replied, "Oh, they would. And that's what my family is looking for: people who want to DO and help others."

I was shamefully STUNNED. How encouraging to see the way we have served our community has moved the hearts of those watching from a distance. God truly means it when he says, "Watch your life and doctrine closely. Persevere in them, because if you do, you will save both yourself and your hearers."

Engagements, Weddings, & Baptisms

They're engaged! **Joel Hackett** got down on one knee and popped the question to **Ashley Nutt** at Arabia Mountain, GA on January 23.

Matt Alesch & Bekah Ozbun became the Alesches officially on January 17 in a small ceremony with friends and family in Dhlonega, GA. Congratulations to you two!

Van Perry became a disciple in Intown in 2019 and then moved to Boston. He met **Ysabel Figueroa** and the rest is history. They were married at a Zoom / in-person wedding on January 9 in Boston.

Zimdoa M. Behnzukeh II (Mr. Behn) was baptized on January 31. Mr. Behnzukeh was a religious man, conscious of God, a believer in God. However, he did not live a lifestyle of following Jesus. In 2004 he had a stroke. He started studying the Bible in 2006 with brothers in the Columbus church in Columbus, Ohio. He hit a few religious bumps on the issue of baptism and stopped studying. God continued to work on his heart from 2014 - 2021 with lots of specific prayers, building relationships, and encouragement to continue to seek God. Zimdoa made the decision to follow the Scriptures on biblical conversion, repentance, and a clear conscience before God.

Amaya Faulkner-Taylor was baptized on Friday, January 29 in Lake Tuskegee. Amaya is a freshman at Tuskegee University studying animal science. She is from Lancaster, CA. TU campus member Wes Montgomery met Amaya one day when she had an armload of packages. He gave her a ride and invited her to Bible talk. Later, campus ministry sisters studied the Bible with her. Amaya was sincerely seeking to get her relationship right with God, and she expressed deep gratitude for the love and spiritual family she's found at the ATCC.

Join us! New Apologetics/Evangelism course from January 16 — May 16

This course, taught by Douglas Jacoby and Joey Harris, introduces the student to Apologetics and Christian Evidences, from the Creation/Evolution debate to Archaeology to Theodicy (the problem of suffering)--and much more! You will learn how to put together convincing presentations for unbelievers and make apologetics a part of your personal ministry (also valuable in campus ministry, teen ministry). This is a double-length course and will teach more effective ways of evangelism through learning how to ask questions designed to make people think and to gently challenge their assumptions in ways that draw them closer to God. To register, please go to <https://www.athensinstitute.org>.

Join the Crew!

"And God said, 'Let there be light,' and there was light." Genesis 1:3

While God simply yet powerfully spoke it into existence on such a massive scale, North River relies on our talented lighting crew every week to illuminate the sanctuary for our weekly services, helping to set the tone for worship, for which we are exceedingly grateful. Without this crew, our worship team would be heard but unseen. There are currently open positions on the crew, and if you would like to serve in this fashion, we'd love and appreciate your help! Training is available if you feel motivated but inexperienced. This is a unique opportunity to serve the congregation in a very special way! Please contact Andy Pilcher (andypilcher@nrcoc.com) or Sherwin Mackintosh (sherwinmackintosh@nrcoc.com) for further details.

We have a Podcast!

We will be posting audio content each week with our Sunday sermons going live every Monday morning. In the show notes for the sermons, you'll find study/discussion questions for you and/or your small group! We've also started a devotional program called "Manna in a Minute," with short 1-2 minute devotionals going out multiple times a week. These are designed to help us focus our hearts and minds as we go about our busy week. In addition to this, we are designing additional programming to incorporate into our podcast platform in the coming weeks and months. You can find "North River Podcast" wherever you get your podcasts. Please subscribe and check back regularly!

North River's Vision Statement

We are a diverse family of believers who answered the call to be disciples of Jesus Christ. We are being transformed by God's Word, His Grace, and the Holy Spirit. Through small groups and deep relationships with one another, we join in Jesus' ministry and mission to make and mature disciples while we care for the needs of people. We do this to save as many as possible for the glory of God.

2021 Sunday Series: Faithful Together

In 2021, we'll be focusing on "Faithfulness." Not so much our faithfulness, but we'll be turning our attention to the fact that "He is faithful." As we reflect on the faithfulness of the Father, the Son, and the Spirit, we are convinced we'll be inspired to respond with all of our hearts by choosing to live "Faithful Together." We will pray, fast, study, and serve TOGETHER. No matter what challenges we face in the new year, let's make sure we live "Faithful Together!"

Coronavirus Risk Guidelines

Our own Dr. Kevin Broyles came up with [the following chart linked here and on the last page](#) that can help you assess the risk of a social gathering. He based it on the best practices and recommendations of organizations like the CDC, WHO, Johns Hopkins University, and Georgia Department of Public Health, but the chart is not reviewed or endorsed by any of those organizations. The chart is NOT medical advice or a substitute for doing your own research, but it is additional information.

To use it to assess the relative risk of an outdoor or indoor activity, first look at the Outdoors column (if the event you are considering attending will be outdoors) or the Indoors column (if the event is indoors). Find the rows in the Number of People column that accurately describe the number of people at the event. Then ask whether or not everyone is wearing masks (YES in the Mask column) and whether or not everyone is social distancing (YES in the Social Distancing column). The level of risk varies depending on each of these factors.

POSTPONED: 2020 Vision Conference in Orlando

[For all the latest updates go to the website HERE.](#)

It is with mixed emotions that we will be unable to host the VISION Conference in Orlando this summer. However, it has become apparent that the impact of COVID-19 has overshadowed the possibility to actualize this worldwide event this year as planned. We, like many of you, were certainly looking forward to a time of fellowship and celebration, and so this is a disappointment for sure.

So in order to find available dates, we have decided to stagger the conference. Instead of hosting more than 20,000 disciples over the same four days, we'll see two (2) distinct waves of attendees that will put less demand on the hotels, nearby restaurants, public flow within our venues,

and an overall reduction of our mass gatherings at any one time:

NEW DATES FOR THE 2022 WORLD DISCIPLESHIP SUMMIT:

JULY 28-31 ICMC: (Campus) and ISC (Singles)

JULY 31-AUG. 3 ILC: (International Leadership Conference)

AUG. 4-7 FAMILY: (Parents, Single Parents, Kids, Middle & High Schoolers)

FOREVER FAITHFUL: (Empty Nesters, Marrieds w/o Kids, Retirees)

SPANISH Conference

* Distancing CDC distancing recommendations based on activity:
 Normal activity (conversation, walking) - 6 feet apart
 Vigorous activity (like exercise, sports, singing, forceful speaking) 12 feet apart
 Time of exposure: longer times (>15 minutes) are more risk than short times
 Do not expose others or be exposed to anyone with symptoms: cough, fever, flu or cold-like symptoms, or recent exposure to a COVID-19 positive individual
 Smaller spaces have higher risks (bathrooms, elevators)

Hygiene Wash your hands frequently (5x/day - reduces risk by 35%)
 Clean exposed surfaces
 Do not touch your face, eyes, mouth

 Children 150 cases of pediatric multi-system inflammatory syndrome after have COVID-19 infection
 Contact Tracing Georgia Public Health Department will begin tracing contacts in the near future
 Vaccine Some optimism from one company about an effective vaccine - would be available January 2021 at the earliest
 Treatment Some positive results from remdesivir combined with other medications in hospitalized patients
 Treatment No scientific evidence that hydroxychloroquine or chloroquine is helpful to prevent or treat, some evidence it is harmful.
 Antibody Test A qualitative test. It is either positive or negative (doesn't measure level of antibody)
 Antibody Test Becomes positive after 7-14 days of exposure or symptoms. If tested too early - may get a false negative.
 Antibody Test Positive test doesn't mean immunity.
